

Take the worthiness that is yours,  
and let the "Fairies of the Universe"  
assist you. Stop taking so much  
responsibility upon yourself, and  
live happily ever after.  
~ ~Abraham Hicks 5.21.05

## Note from the editor:

Do you FEEL it? The Light and the Warmth flooding in from the recent energy influx of the Spring Equinox on March 20<sup>th</sup> brings us the energy to *CHANGE EVERYTHING!*

Talk about what makes you FEEL ALIVE?!? WOW!

Despite what appear to be struggles around us, and the droning call to panic you may 'hear' if you're tuned to mainstream media these days... we KNOW, deep in our Being, that this time had to come and this time is GRAND indeed.

The energy of the recent Spring Equinox is striking a chord that many are resonating with powerfully and clearly. Remembering that we are right here, right now, playing on Planet Earth out of choice as we are aware of the bigger picture.

We have remembered Universal Laws governing our evolution and that in order for something to manifest on the physical plane, it must be asked for through the free will choice of someone existing in the physical plane! "God" needed a body... and **WE ARE THAT!**

Today, right now, we hold in our hands the power to project the Light that transmutes our mis-creations and creates anew... bringing us the experience of exquisite joy, love, abundance, health, happiness, peace, wisdom, enlightenment and every other aspect of who we *really* are that we desire to experience.

Sure, we may find ourselves experiencing in contrast to the above before we lock on to the experiences that make us feel most alive and connected to our Source Energy. Yet as the cleansing of the moment catapults us forward into ever brighter Light and as we choose to take control of our
