

## Best Wishes to Jackie Lee

Recently, long time friend and crew member of The Magic Happens Jackie Lee, decided to step down to make time to pursue her own projects and raise her beautiful and spirited daughter Hanna.

We would like to take this opportunity to wish Jackie much success and happiness in all that she does.

May your future be so bright that you have to wear sun glasses at night!!

As long as it suits her, Jackie will be continuing as a columnist in The Magic Happens so we will all get to continue to read her heartfelt stories of adventure in Kansas.

If you are inspired, please feel free to [email Jackie](#) and extend your well wishes, we are sure she would love to hear from you. 😊

Let the adventure continue
