

# Angel Messages

by Annette Aben

Angels **SUPPORT** the **NEW** and **WONDERFUL** energy all **AROUND** you.

*I am not really certain how it will all play out but I can feel the support of the Angels each and every day as my life takes a turn for the brighter and happier. Thank you Angels for this friendship, I am grateful for your loving guidance and the excitement builds the more I think about it.*

**THINK** of a **SOLUTION** and an Angel **SPRINGS** into **ACTION**.

*I am putting all my focus on the solutions to that which I know need resolution and am grateful that an Angel is lending its support to the situation. Thank you, Angels for your loving guidance which is going to lead us to peace, harmony and love.*

Every **LITTLE** bit **HELPS YOU** be an Angel to those in **NEED**.

*As I give what I can the way I can, I am grateful for the opportunity to share my Angel-self with everyone I meet. I thank the Angels for their loving guidance and support for showing me how easy it can be to lift someone's spirits. Every little bit counts.*

**TURN IT OVER** and the Angels will **TURN IT AROUND**.

*I have so much I cannot handle right now and still accomplish all I have to get done so I am grateful that the Angels will support my need to turn over what is beyond my ability. Thank you for being the loving guides that you are encouraging me always to include you in my daily efforts as a true team mate.*

**PAIN** is **STRESS** and the Angels **ASK** you to **LET IT OUT** so they can **HELP**.

*I was in such pain and when I cried out for help, I found it in the support of your loving presence. Angels you have my gratitude and thanks for being there for me and guiding me to the peace my mind, body and soul seek.*

**WRAP** your **ANGEL WINGS** around the **HEART** of someone **SPECIAL**.  
*I open my wings of Angel love and support to reach out to someone special today. Angels, thank you for the guidance that directs me to those who need me most today. I am grateful to be of help.*

Angels **LOVE** your **LAUGHTER** and **ENJOY** that you **SHARE** it with **MANY!**  
*I love to laugh and enjoy having others to share happiness with. Angels, I am grateful for the support and guidance you provide with your joy of life. Thank you for being my shining example for every loving choice I make.*

As Angels **LIFT** you **HIGHER** your **LIFE** gets **EASIER**.  
*I allow the loving guidance and support of the Angels to lift me higher and higher where I find my life to be easier than it has ever been. Thank you, Angels for the wings that help me soar and remind me to be grateful for taking the higher road.*

Angels **MEET** you **WHERE** you **ARE**.  
*I am grateful that I can simply be myself and Angels support and guide me with love at all times. Thank you.*

Angels **WATCH** you **BLOSSOM** under **LOVE'S** energy.  
*I feel love everywhere I am and am grateful that I can recognize the love around me. Angels, thank you for your guidance and support because I know this has something to do with me being so aware of all that love.*

**OPEN** the **DOOR** to your **HEART** and an **ANGEL** will be **STANDING** there.  
*I open the door to my heart only to find all manner of Angels right there ready to love me, guide me and support me. Thank you Angels for this promise which gives me hope. I am grateful to know that I can count on Angels always in all ways.*

**CHANGE** is **EASIER** when you **PULL** the **ANGELS** in **CLOSE**.  
*I am can feel the change and my grateful heart calls for the support of the Angels to guide me through it all. Thank you for loving me Angels.*

Imagine a child who ate her share of alphabet soup and plenty of Alpha-bits cereal as she was growing up. Picture this same child being sent to her room to ponder her sassy ways and her only company was a dictionary and a set of encyclopedias. Of course her favorite toys were paper and pens and naturally she enjoyed reading more than playing with dolls. Surrounded by all the raw materials, is it any wonder Annette grew up to be a writer?

Her most recent publication, **PERSPECTIVE, it's all about replacing one thought with another**, is available through **Amazon.com** and the current work, **u got angels**, is due out in time for Holy Day giving. Check out her website **annetteaben.com** for updates on all projects including a collaborative effort between Annette and Tracy (Domestic Gourdess) Swartz.

## do all these words make me look fat?
